

REMARKS

The election on October 23, 2007 is confirmed and accordingly the Applicants have cancelled claims 1-4 and 6-12, the Applicants reserving the right to file divisional patent applications on the separately identified inventions.

The specification has been amended to correct for informalities and in addition define generic terminology, namely botulinum toxin associated with the trademark BOTOX®.

In addition, claim 5 has been amended to overcome the Examiner's objection thereto. The Applicants acknowledge the Examiner's consideration that claim 5 would be allowable if amended to overcome the objection and accordingly submits that with the present amendment the Application is in condition for allowance and such action is respectfully requested.

Respectfully submitted,
/BRENT A. JOHNSON/
